

**Advising Template**

**Degree and Program: Biology - Health Science: General Health Care**

**Catalog Year: 2026-2027**

**All professional schools and graduate schools have their own unique set of prerequisites. Courses should be selected in consultation with your academic advisor/mentor with an annual review of websites from the professional schools for which the students wish to apply, to ensure that the students meet CSC graduation and degree requirements as well as professional school prerequisite requirements. These additional requirements and recommendations may include additional specific biology courses and more chemistry, physics, and psychology courses, as well as others. Course sequences are scheduled, but may change to accommodate faculty loading.**

**Required ES: 1 (6 hours), 2, 3, 4, 6 (within program), 7, 8, 10 or 11; Must complete all degree requirements.**

**Year 1**
