

Advising Template
Degree and Program: Nursing (UNMC)
Year: 2026-2027

*****PLEASE SEE YOUR ADVISOR for consultation regarding your career path and professional school prerequisites, which may modify or specify your electives. For example, you will probably need both Applied Statistics and Applied Calculus, Physics I and II, an additional Composition course, and additional Psychology courses, depending on your preferred career path. This program of study does NOT lead toward a bachelors degree from Chadron State College.**
